

ST. JAMES DAY SCHOOL

Gala

Dear St. James Day School Family and Friends,

Every year, St. James Day School offers a first-rate education, relying solely on tuition and philanthropic donations to fund our expanding academic programs. Our primary fundraising event is the Gala with Auction, to be held this year on Saturday, March 16th, at The Collins Home. Mark your calendar now!

The Gala is not possible without the help of our volunteers, who play a key role in helping our SJDS family soar to new heights. Whether you are assisting through securing monetary donations, procuring auction items, or being present in the days leading up to and on the day of the Gala to lend a hand, volunteers are appreciated for the steadfast support in fostering the legacy of SJDS. If you are interested in serving on the Gala committee, please contact me at the sjdsboard@gmail.com.

In this packet you will find our sponsorship form and auction item donation form. Please feel free to distribute this packet to your extended family, friends, and employers. A PDF of the packet can be found on the school website. For potential auction donation items, think “experiences”- vacation homes, dinner parties, photography sessions, cooking lessons, kid’s birthday parties. Experiences draw high interest, sparking competition among the bidders!

The success of our school relies on a strong partnership between it and its families, so I would ask that you please consider volunteering in some way this year. You will not regret it, and every student will benefit from your time and talents.

Ray Bobo
Board of Trustees President

Susannah Joyce
Head of School
